

S M E G

50' s RETRO STYLE

MADE IN ITALY

For 70 years Smeg, based in Guastalla in the Emilia Romagna region of Italy, has been interpreting the demands of contemporary living to create domestic appliances which go beyond simple kitchen tools to become true furnishings and accessories, undisputed expressions of the best Italian design.

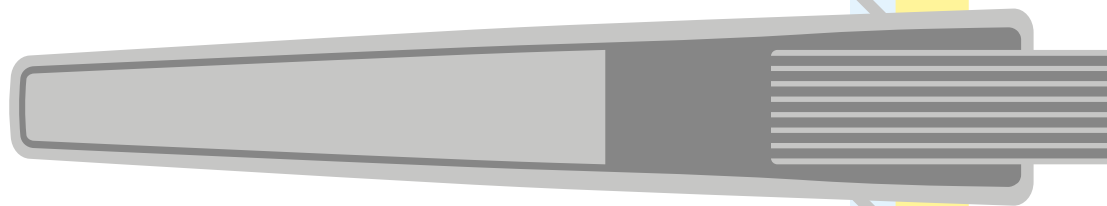

Thanks to an extreme focus on quality, functionality, aesthetics and ergonomics, Smeg has become synonymous with Italian style and quality, exporting Italian creativity, passion and design all around the world with pride.

50's STYLE AESTHETIC

Smeg's 50's Retro Style line is a combination of technology and aesthetics, functionality and style, which evokes the unmistakeable shapes and atmospheres of the 50's stylology.

Bright colours, rounded lines and retro styling are reinterpreted with a modern view to create products which become the stars of the kitchen.

The background features a series of vertical stripes on the left side: a thin light blue stripe, a thin light green stripe, and a wider yellow stripe with a fine black dot pattern. A large, thick pink circle is centered on the page, framing the text.

ICONIC DETAILS

Rounded curves and chrome-plated details
perfectly co-ordinate the interior and outer
door of the refrigerator.

S M E G

A NEW SOUL

The range of refrigerators which have become a creative cult style icon is refreshed with interiors boasting innovative technological features and unmistakably refined details.

FAB28

ELEGANT CHROME-PLATED TRIM

The profiles of the glass shelves and balconies feature shiny chrome-plated trim which draws on retro design.

MULTIFLOW COOLING SYSTEM

The new cooling system distributes cold air in a uniform manner throughout the refrigerator, ensuring food is correctly preserved.

VENTILATION SYSTEM

The air is constantly and homogeneously diffused in order to attain the ideal moisture level for food preservation.

LED LIGHTS

The interior is lit by a LED strip which runs along the refrigerator walls.

ELECTRONIC TEMPERATURE CONTROL

The side thermostat offers electronic, and where required, manual temperature regulation, for personalized setting.

LIFE PLUS DRAWER

Special zone with a temperature range of -2 - +3°C, ideal for keeping more perishable foods such as meat and fish.

FRUIT AND VEGETABLES DRAWER

It features a perforated panel which can be adjusted to customise the compartment's level of ventilation and humidity.

50's STYLE FRIDGE WITH ICE COMPARTMENT, RIGHT HAND HINGE, 60 CM

REFRIGERATOR

Multiflow Cooling System

Fresh food capacity: 244 l (223 l + 21 chiller)

Life plus zone 0°C

LED internal light

3 adjustable glass shelves

Glass crisper cover

Fruit and vegetables drawer on sliding rails

Inner door with 1 adjustable shelf and

1 bottle shelf with wire support

FREEZER

4 stars rating

Frozen food capacity: 26 l

TECHNICAL FEATURES

Energy efficiency class A+++

Noise level: 38 dB(A)

Energy consumption: 139 kWh/y

Freezing capacity: 2 Kg/24h

Thaw time: 12 hrs

Dimensions (HxWxD): 153x60x76,8 cm (handle included)
